Hi Gerrald,

I had sent you the hard copy transcript in the mail several weeks back. If you didn't receive it, I can scan it and email to you later today. Sorry about yesterday – it was Clara Suh on the phone (she is not actually an admitted attorney yet). I am currently drafting a letter to the court now to explain...

Thanks,  
Tram

Hi Tram,

First, can you get me a copy of plaintiff's deposition? We still don't have a copy. Also, what was the name of the associate who appeared telephonically today? Poor girl got caught out in the open with no cover.
